Re: Notice of Ex Parte Presentation: *In the Matter of Stale or Moot Docketed Proceedings*,
CC Docket Nos. 93-193, 94-65 and 94-157

Dear Ms. Dortch;

On Wednesday, March 10, 2004, Safir Rammah and I spoke with Raj Kannan of the FCC's Wireline Competition Bureau regarding the above mentioned proceeding. AT&T explained that Verizon's headroom calculations for the 1993/1994 tariff period, based on the average of available headroom at the beginning and end of the tariff period, is inconsistent with the Commission's decision in its Memorandum Opinion and Order released on June 26, 1997 in CC Docket Nos. 93-129 and 86-10.

Consistent with the Commission rules, I am filing one electronic copy of this notice and request that you place it in the record of the proceedings.

Sincerely,

A handwritten signature in black ink that reads "Patrick H. Merrick".

CC: Raj Kannan
